Ministry

FPC's Children's Ministry serves children aged 4 in PreK–5th grade in our church and community. We come alongside parents to teach and share God's Word. Our mission is to build children up in the faith for God's glory.

Needs

- Registration table assistants.
- Volunteers for Sundays and Wednesdays.

Prayers

- 1) For the hearts of our covenant children and children in outreach to be open to the Gospel and salvation.
- 2) Our outreach to Somerset students and families would grow and connect our campuses.
- 3) Encouragement for our weekly children's volunteers.
- 4) For our children's spiritual and physical growth.
