Ministry

FPC's Youth Ministry serves Middle & High school students of our church and community. We share the gospel, teach the Bible, and disciple the next generation. We strive to build relationships, as we focus making an eternal impact on our future leaders.

Needs

Volunteers to teach Sunday School and assist on Wednesday nights.

Prayers

- 1) For continued spiritual growth and for the youth without a church home to assimilate into FPC.
- 2) For the spiritual, physical, and emotional safety for our youth and leaders.
